Welcome to the beginning of another school term!

I hope everyone had a restful and relaxing school holiday and are ready and rearing to return into term four!

Term four is my favourite time of the school year. Although it is a very busy time on the school calendar, the students enjoy all the activities and exciting events term four brings.

What I love about term four is seeing the children amaze you with what they have learnt during the year, changes in reading levels, building of numeracy skills, positive attitudes and their ever increasing confidence. I love seeing them excited about their knowledge and proud of their achievements.

Here’s to an exciting and happy term with, loads of learning and lots of fun!

This Thursday we will be travelling down to Newcastle Civic Theatre for a performance of The Little Mermaid. Transport will be by car and a note with final details will be sent home tomorrow.

Kindergarten Orientation

It is also that time of year again when we welcome our preschoolers into the Belltrees school for a wonderful introduction to school life. Students will be coming on Monday’s beginning week 3 and finishing in week 8. They will stay for a progressive amount of time and will eventually lead to a full school day.

They will learn about the school routines, rules and students responsibilities. They will participate in all class activities and learning sessions.

If you have a child who is ready to start Kindergarten in 2015 and you would like any more details on our wonderful small school please make an appointment to come and visit the school, have a chat and a look around.

Have a great week! Johanna Teague
