Welcome to week 8!

Hope everyone had a relaxing and enjoyable long weekend, but back to reality and………

What a busy week we have coming up. The students are in full flight practicing for the upcoming Belltrees Sports Carnival. They have been busy marching and running, practicing the baton changes for the relays and ball games, high jumping and long jumping. Don’t forget the carnival is on this Friday 12th June at Belltrees Cricket Grounds.

Students are required to be there for roll call at 8:40 with assembly at the end of the 100m track at 8:50 ready for a 9:00am sharp start. The judge for the march past this year is Upper Hunter Shire Mayor, Mr Wayne Bedggood. Students are required to be in their full sports uniform. (Jumpers will depend on the weather.)

The day will run to a tight program and we are hoping to run on time throughout the day. Just a note regarding the high jump……

If you signed the form for the 800m and high jump events, thank you. This year we will be having a set qualifying height for the high jump. Juniors need to jump 80cm, 11’s 85cm and seniors 95cm. We have been working hard on our high jump skills here at school and all students will know before Friday if they have qualified for the event or not.

All community members are invited to attend and BBQ facilities along with hot food and refreshments can be purchased on the day. This year we are short one school with Martindale having a clash of dates and unable to attend. We wish them all the best in the starstruck performances in Newcastle.

So come along and cheer for the students in our small schools, bring your wonderful sportsmanship attitude and have fun!
